

Veterans' Growth is a Sussex-based charity dedicated to transforming veterans' lives through horticultural therapy and support.

Set up three years ago, Veterans' Growth is widely recognised for the positive impact of its work. Dynamic and proactive, our approach is based on a deep understanding of individual needs. We work closely with partners in the East Sussex region and beyond to provide a seamless network of support for veterans and their families as they work to rebuild their lives.

As we focus on expanding our scope and laying strong foundations for the future, we are looking for trustees with experience in the following areas to join our team:

- HR
- Mental health
- Finance
- Media and comms
- Horticulture
- Community organisations (particularly in and around East Sussex)
- Local government
- Health & safety
- Fundraising

You'll need to be empathetic, flexible, a good communicator and ready to contribute ideas and come up with practical solutions. You'll be happy working independently and as part of a team. Prior board experience is not necessary; direct or indirect experience of the military is desirable but not essential.

To find out more about this exciting opportunity to help our charity grow, contact Claire Vokins, Chair of Trustees, on claire@veteransgrowth.org
