

VETERANS' GROWTH

Corporate Partnership Brochure

Supporting Veterans - Strengthening Wellbeing - Creating Meaningful Impact

Veterans' Growth is a Hastings-based charity providing horticultural therapy, nature-based wellbeing activities, horticulture programmes, creative workshops and community connection for veterans, families and carers.

Corporate partnerships help us deliver life-changing support while offering your organisation meaningful ways to engage, give back and grow.

Why Partner With Us?

- **Visible Social Impact** - Your support directly funds wellbeing sessions for veterans.
- **Employee Wellbeing Benefits** - Nature-based activities proven to reduce stress and improve mood.
- **Corporate Volunteering Days** - Hands-on, rewarding experiences for teams.
- **Community Connection** - Strengthen your local presence by supporting a charity rooted in Hastings.
- **Positive Brand Alignment** - Demonstrate your commitment to mental health, veterans and community resilience.

Partnership Opportunities

Corporate Volunteering Days

Bring your team for a practical, uplifting day supporting veterans' wellbeing. Activities include gardening, wildlife habitat building, site improvements and seasonal projects.

Sponsor a Wellbeing Workshop

Fund a creative, horticultural or nature-based session for veterans. Your support covers materials, facilitation and ongoing wellbeing impact.

Employee Wellbeing Sessions

Offer your staff a unique wellbeing experience - mindfulness in nature, gentle craft workshops or guided foraging walks.

Annual Corporate Partnership

A tailored package including volunteering, sponsorship, staff engagement and shared impact reporting.

Payroll Giving

Invite employees to donate a small monthly amount to support veterans' mental health.

Merchandise Partnerships

Purchase or promote our charity hoodies and t-shirts - ideal for staff gifts, team events or CSR campaigns.

Your Impact

Corporate support helps us deliver:

- Nature-based wellbeing sessions
- Creative workshops
- Peer support and community connection
- Skills development and confidence-building
- A safe, supportive environment for veterans rebuilding their lives

Every contribution - financial or hands-on - directly strengthens our ability to support those who have served.
